Resiliency in Action

In the wake of two Category 5 Hurricanes, Irma and Maria, St. Croix Foundation has scaled back our annual fundraiser to leverage scarce community resources. Our 2018 theme, *Resiliency in Action*, is about the spirit of rebuilding that defines the Virgin Islands. Proceeds provide funding for the Foundation to develop and administer critical projects integral to a sustainable, holistic recovery. But your sponsorship and attendance doesn't just support us – by joining us, you make it possible for us to support over 40 other nonprofit organizations and charitable projects operating under our 501(c)3 umbrella and through our Nonprofit Consortium. When we talk about leveraging resources for maximum impact, you make us possible! Join us today. Together, we will make a difference!

Immerse Yourself in a True Philanthropic Experience.

Save the Date
 April 5th – 7th, 2018
www.stxfoodandwine.com

bond @ balter
